Selectmen's Meeting

SPECIAL TOWN MEETING SET

Mattapoisett Selectmen established Monday, June 30, 7:00 p.m. as the date for the Special Town Meeting as required by town by-law following the presentation of a petition which seeks to overturn a vote of the Annual Town Meeting which authorized the Board of Selectmen to negotiate a right-of-way to Goodspeed Island along the sewer line right-of-way. This Special Town Meeting will be held at the Old Rochester Regional High School Bristol Auditorium.

May 22nd, Russell LaFrance asked Selectmen to include in this Special Town Meeting an article which would rezone an area of Mattapoisett Neck from Marine Residence (MR) to Waterfront 30 (W30).

Mr. LaFrance appeared at the May 27th meeting with a letter signed by J. Barry Cudmore of 9 Byrne Avenue, Mattapoisett, which alleged that 9 moorings had been placed in the harbor by Mr. William Mansfield. It stated that sailboats are arriving, mooring at these locations, hauling T flags to summon launch service which the letter said is provided. The letter enclosed an advertisement of May 24, 1980 from the Boston Globe advertising the availability of moorings on the lee side of Mattapoisett harbor with a telephone

number to reply to which the letter claims is the telephone number of Mr. Mansfield's home. (On March 31, the Mattapoisett Board of Appeals denied without prejudice a petition to establish a marina at the Mansfield property. This decision stated that the Board would accept a new petition if the matter of access is resolved.)

The Board of Selectmen took note of the various allegations in the letter and agreed to contact Town Counsel and to have the building inspector, Jonathan DePina, investigate.

Later in this same meeting, Mr. Mansfield arrived and asked to examine the letter. He said that he is not operating a marina. He said that he has a number of moorings because he had an opportunity to buy them in quantity at a cheaper price. He said that he has guests who tie up to these moorings and he does transport them to the beach at no charge. Chairman R. W. Blasdale asked, "Do you charge for mooring?" Mr. Mansfield replied that he had an arrangement with his guests. Mr. Blasdale asked if he would care to comment on the Boston Globe ad. Mansfield replied that he had placed the ad.

SHELLFISH THREATS AIRED

Shellfish Warden Al Pauline told Selectmen that a Brandt Beach resident had been posing as shellfish warden and chasing other residents off the shellfish grounds. When confronted, the same man had directed threats at Mr. Pauline. The Selectmen directed Mr. Pauline to remove the offender's shellfish license.

RESCUE TEAM ASKS MEETING

"Company" is Coming!

WHO'S WHO IN "COMPANY"

The musical comedy "Company" is coming to the Marion Art Center June 20th and will run the 21st, 22nd, and 26th, 27th, 28th. The ambitious production is under the direction of some very interesting people.

Jane Babbitt is the overall director and choreographer. Her youth and enthusiasm spark the cast to really step lively for this snazzy, jazzy show. Jane is a graduate of Susquehanna University where she majored in English and was active in theater arts. Her credits include Brecht and Beehon plus some musicals and children's theater. It was at the university where she met Ted Babbitt, III, a communications and theater arts major. Ted has been the mainstay of technical theater at the Marion Art Center for several years. Jane and Ted look forward to working on "Company" with their famous father, Ted Babbitt, Jr., who plays the role of Harry in the musical.

The Museum is open from 9 a.m. to 5 p.m. Monday through Saturday, and from 1 to 5 p.m. on Sunday. Some fascinating film footage of an actual whaling voyage will be shown at 10:30 a.m. and 1:30 p.m. on Monday through Saturday, and at 2:00 p.m. on Sunday.

The fully rigged, half-scale whaleship Lagoda, the largest model in the world, is always a favorite with families who may come aboard for a voyage back in time.

The Scrimshaw, Colonial Kitchen, doll collection, rare prints and paintings, logbooks, models, glass and pewter are but a few of the many exhibits the visitor will enjoy.

A new gallery dedicated to the "World of the Whaleman", shows the places he roamed, the things he saw, and the 'souvenirs' he brought home. Uniquely displayed in this gallery are two large sections of the famous "three miles long" Panorama by Caleb Purrington and Benjamin Russell.

Free walking tours of the Historic District are offered daily. These tours originate at the Museum, and depart at frequent intervals. Trained volunteer guides conduct visitors on the tour which lasts approximately one hour. Special group tours may be arranged by calling the Museum at least two weeks in advance.

Ample parking is available at either of two parking garages nearby.

TOBEY'S 40th ANNIVERSARY

RECORD REFLECTIONS ...Changes in record-keeping at Tobey Hospital

Sylvia McLaughlin remembers when things were simple at Tobey Hospital. Her department, Medical Records, had only three employees, one of whom was part time. The records were written by hand, the file drawers were heaped one upon another, and carbon paper was used for duplication.

Sylvia, who came to Tobey in 1958, has witnessed the growth of the hospital, the expansion of health information, and the multiplication of bureaucratic regulations. Her department now just about fills up both sides of the corridor in the main wing of the hospital's first floor. She has six full time and three part time employees in Medical Records. Ward secretaries, the gals who keep everything in order at the nursing stations, also report to her.

Talk about technology! In Medical Records there is "Sylvia's Monster", otherwise called the record storage files; a Lektriever which has automated shelves and drawers to replace the tottering file cabinets; that modern miracle, the photocopying machine; electric typewriters; and new dictating equipment for the physicians.

But back to 1958. Sylvia recalls those days when everyone pitched in to help. It didn't matter what your department was; if a job was there to be done, you offered your services. Miss Koenig was administrator and she was the first to get right into things. As a nurse, she would often help out in any tight situation. In fact, because nurses didn't arrive on duty until 7 a.m., Miss Koenig could often be found working away in the emergency room in the early hours of the morning. Since there was no Central Service Department, the administrator did all the purchasing. However, the operating

room staff sterilized its own equipment as did maternity.

Sylvia and Helen Maloney, her long time assistant, did allied secretarial duties when asked. They doubled as administrative secretaries, admitting clerks, and switchboard operators. Interestingly, all calls throughout the hospital, even from department to department, went through the central operator.

In 1960 these two ladies, aided by some part time help, microfilmed the first 18 years of records. Today, this work is done by an outside company which takes care of all the processing.

Miss McLaughlin credits the expansion in her department to a number of things: more sophisticated regulations by JCAH; new governmental agencies such as UR and PSRO; more statistics being asked from record departments; consumer groups advocating patient access to records; and, finally, more non-physician personnel (as dietary, physical therapy, inhalation therapy, etc.) documenting their part in the patients' health care.

"In twenty years we have gone so very far. Everything was manual, now everything is automatic or computerized. We have just installed a central dictating system whereby anyone in the world can call a particular

Village Players

Rehearsals and production work have begun on the classic murder mystery "Ten Little Indians". This suspense filled drama by Agatha Christie will open the Village Players' fifth summer season which is to be held in the auditorium of Bishop Stang's North Dartmouth campus.

Composed of young adults who are currently pursuing majors in various fields of the performing arts, the theatre group will be striving for performance levels of the highest quality while bringing live theatre to the New Bedford community.

In order to keep an eye on detail and to attain the desired performance level, the theatre group will stage two rather than three productions this season, the second being the always popular and entertaining "Oklahoma!", a fine musical comedy for a warm summer evening. Some of the finest vocal and dramatic talent to be gathered by the Village Players will be on stage for this colorful and tuneful Rodgers and Hammerstein show.

Curtain will be at 8 p.m. sharp for all performances. Seats for "Ten Little Indians" and for "Oklahoma!" are reserved
